Becoming a Mother

Is an ordeal which all women approach with indescribable fear, for nothing can compare with the horrors of childbirth. The thought of the suffering and danger in store for her, robs the expectant mother of all pleasant anticipation of the coming event, and casts over her a shadow of gloom that cannot be shaken off. Thousands of women have found that the use of MOTHER'S FRIEND during pregnancy robs confinement of all pain and danger, and insures safety to mother and child. This scientific treatment is a godsend to all women at the time of their most critical ordeal. Not only does MOTHER'S FRIEND carry woman safely through the perils of childbirth, but its use gently prepares the system for the coming event, prevents "morning sickness," and other discomforts of this period. Sold by all druggists at \$1.00 per bottle. Send for free booklet to THE BRADFIELD REGULATOR CO., Atlanta, Georgia.
